

Join SafeNet Consulting

A technology consulting firm we want to work for.

Over 25 years ago, we started with one goal in mind and have stayed true to that goal over the years – we want to be the type of technology consulting firm we wanted to work for.

What It's Like to Work Here

As a member of the SafeNet Consulting team, you get to choose your workplace and influence your projects. You have a say in your project and team, with seamless transitions to keep your sights ahead. Consulting managers provide personalized guidance for your career path through open communication and continuous feedback. Have it all while being connected with a flexible, creative team.

About Us

SafeNet Consulting works with client partners across clients and industries, lending a glimpse into new territories at every engagement. We are proud to be an Equal Opportunity Employer. When we say Equal, we mean equality for everyone. When we say Everyone, we mean EVERYONE. All employment is decided solely on the basis of qualifications and business need.

Our Mission

We exist to make our consultants' and clients' lives better and form genuine partnerships founded on trust and a shared desire to drive innovation.
